

# Box Mobil

## Rack BM fitted out

The moveable rack Box Mobil is a system of rails and profiles made from grey (RAL 7035) lacquered steel sheet, mounted on four rubber wheels, for practical mobile transport within workshops and factories. Everything is thus clearly visible and arranged systematically, and at the same time also available at the exact place where it is needed.

### Equipping

The rack Box Mobil can be equipped with **Classicbox**, **Systembox** and **Futura** open-fronted storage boxes.

### Delivery

This item is delivered unassembled for transport reasons. The incidentals are enclosed with the basic frame.

### Available sizes

#### Basic dimensions (L×H in mm)

1150×1570

### Tip

The following product images are just a few of the multifarious possible equipping options. We will gladly advise you on the best solution for your requirement.
