SYSTEMBOX

Open-fronted storage boxes SB

The Systembox range is the most versatile of our open-fronted storage boxes. It comes in four standard colours and is with lids, screens and for the Z range boxes is also with dividers available. Made from polyethylene, this model is lightweight, resistant to chemicals and perfectly suited for use in industry as well as in the home. Together with the compatible carrier system, the Systembox can be incorporated optimally in your manufacturing line or assembly unit, or even in your cellar or hobby room. All models are mutually stackable for intermediate storage and can be transported comfortably thanks to recessed grips.

Applications

Open-fronted Classicbox storage boxes organise and protect your small parts in a clear manner and are also perfectly suitable for use with the Kanban method.

Accessories

The Systembox range offers a complete range of accessories, such as labels, screens, lids and length and cross dividers with the models of the Z range.

Tip

The Classicbox, Systembox and Futura ranges are mutually compatible.

We recommend that you also take a look at the section Rack systems for open-fronted storage boxes, which leaves almost nothing to be desired where optimal space utilisation is concerned.
